

April 2021

De familie Engelberg heeft genoten! 'Onze' kudu kwam ook ff buurten.

Hun reactie over het verblijf:

We had a lovely few days at Mhofu. We went into Kruger on the Sunday, and luckily we pre-booked, as they were turning people away.

Your house is really nice, and we were treated to visits by kudu, warthog and duiker.

Thanks again

Clive and Michele and children.
